WHEREAS, under the authority of section 22, I have requested the United States Tariff Commission to make an investigation with respect to this matter; and

WHEREAS the Secretary of Agriculture has determined and reported to me that a condition exists with respect to cheddar cheese which requires emergency treatment and the quantitative limitation imposed on cheddar cheese should be increased for the quota year ending June 30, 1966, without awaiting the recommendations of the United States Tariff Commission with respect to such action; and

WHEREAS I find and declare that the importation during the remainder of the quota year ending June 30, 1966, of the additional quantity of cheddar cheese permitted by the increase in quota specified below will not render or tend to render ineffective, or materially interfere with, the price support program which is being undertaken by the Department of Agriculture with respect to milk and butterfat and will not reduce substantially the amount of products processed in the United States from domestic milk and butterfat; and that a condition exists which requires emergency treatment and the quantita-
